

Hello CATA Families,

I hope you're all enjoying a relaxing and fun summer! As we begin preparing for the upcoming school year, we're looking ahead to organize staffing and plan for the **Oasis Before and After School Program**.

We are currently gathering information to see how many students may need Oasis services and which staff members may be available to support the program. **This interest form is the first step in that process.**

Please note the following:

- **Oasis will be available for students in grades K-5 only.**
- This form is to help us **gauge interest** and **does not guarantee your child a spot** in the program.
- If your child is selected for a spot in Oasis, a separate confirmation email will be sent to the address you provide on this form.

I am also exploring the idea of offering a **Homework Club for a small group of 6-8th grade students** who truly need academic support and have shown strong positive behavior. This will depend on staff availability and interest. Information to follow if we have staff to create a program.

If you are interested in having your child participate in Oasis, please complete the interest form below:

Thank you for your continued support! I look forward to another great year together.

Warmly,

Karen Peck
